Dear [Redacted]

STAT

Concerning your letter of August 5, 1960 to [Redacted]
we are interested in your currently self-supported theoretical
studies of the photographic process. However, this is outside
the scope of our activities at the present time, and accordingly,
we are not in a position to act upon the matter.

We appreciate your interest and hope that you will continue
to keep us informed of your progress on these studies.

Very truly yours,
